

7210 Book Order Form: Internal Auditing Pocket Guide

We suggest purchasing *The Internal Auditing Pocket Guide* as an easy-to-access resource for internal auditing. The book and the e-learning class materials are consistent and presented in the same order. The book is pocket size and has a removable pocket card listing the 20 Audit Principles and audit process steps. To purchase the book please complete our order form.

Description: The author guides readers through their entire audit in this easy-to-use pocket guide. From the audit assignment to analyzing results and following up on the action items, this guide summarizes all the steps necessary to complete an internal audit. This book uses text, charts, graphics, and illustrations throughout to demonstrate the audit process. The author also addresses the ethics of internal audits by referencing the 20 audit principles throughout the text. This book differentiates itself from other audit guides by stressing what is important for a successful internal audit. The book is appropriate for those who have no prior knowledge of audit principles or techniques.
