

7210 Book Order Form: Continual Improvement Assessment (CIA) Guide

We suggest purchasing *Continual Improvement Assessment Guide: Promoting and Sustaining Business Results* as valuable resource for ensuring improvement efforts add value (real performance improvements) and are maintained. The book and the e-learning class materials are consistent and presented in the same order. The book is pocket size and has a removable pocket card summarizes the 4 Assessment Strategies, types of improvement, and types of actions. To purchase the book please complete our order form.

Description: This is the first pocket guide of its kind to bring together auditing and assessment techniques as a structured and systematic program for assessing performance improvement and sustaining improvement throughout the organization. Use this guide as a tool to develop a continual improvement assessment that will ensure that there is quantifiable improvement, opportunities are identified, and the improvement program is sustained.

Auditing is a proven management tool that can be used to monitor program progress to help ensure it achieves organizational targets.
