

7210 Book Order Form: ISO Lesson Guide 2000

We suggest purchasing the *ISO Lesson Guide 2000: Pocket Guide to Q9001:2000* as a valuable resource for learning and becoming aware of ISO 9001 process-based management system concepts. The book and the e-learning class materials are consistent and presented in the same order. The book is pocket size and has a removable pocket card listing the ISO 9001 Conspectus (deciphered listing of requirements), a process-based QMS diagram, and the quality management principles. To purchase the book please complete our order form.

Description: *The ISO Lesson Guide 2000* discusses quality, its measurable characteristics, and the role of customer requirements in all quality management systems.

Using the ANSI/ISO/ASQ Q9001:2000 standard as the model, each ISO clause (and its key concepts), the ISO process approach, and the quality management principles are explained. Also included is a handy ISO 9001 conspectus that may be pulled out for personal use. This laminated tri-folded conspectus briefly describes all clauses of the standard that contain requirements for a quality management system in easy-to-understand language.

The *ISO Lesson Guide* is a great training aid and an ideal handout for new and existing employees who need to understand ISO 9001 requirements.
